

Your Project Presentation Poster

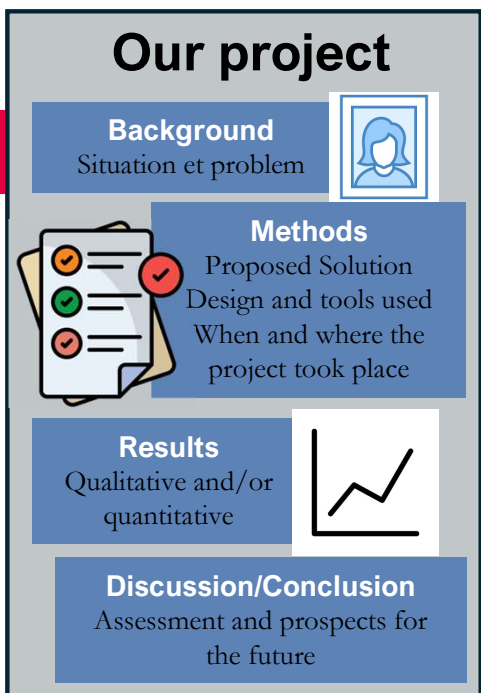

What

Why a poster?

A poster offers opportunities for direct, personal interactions with interested participants, opening the door to constructive discussions in a informal setting.

What is a project presentation poster?

A poster is an illustrated summary of your project that you can display at events such as conferences or workshops.

How

A poster helps answer these questions:

- **WHO** created the project?
- **WHY** was the project created?
- **WHAT** was the project?
- **HOW** was the project designed?
- **WHICH** were the projects' goals?
- **WHO** was the target audience?
- **WHICH** were the project's results?
- **WHERE** to next?
